

Auto-Roller 2, C-class

The Roller-2 is a mid-size over-cab campervan that sleeps up to 6 persons but is also ideal for 4 grown up persons due to the large bunk beds. This campervan has spacious storage under bunk bed to be reached from both sides.

Our motorhomes come with complete equipment like cutlery, outdoor chairs and table etcetera. We offer free transfers Heraklion-Gouves and give an intensive instruction and information about Crete on arrival. And of course, we have our cell phone lines open 24 hours per day!
